Remarks

Welcome to this beautifully maintained and thoughtfully upgraded condo in the heart of Wixom, offering the perfect combination of style, functionality, and modern convenience. The main living area features an open-concept layout filled with natural light, flowing seamlessly into the kitchen and dining space, ideal for both everyday living and entertaining. A versatile nook off the kitchen provides the perfect space for a home office, reading area, or flex room. This home stands out with numerous high-end upgrades, including custom 9-foot thermal curtains with sheer layers, providing both elegance and energy efficiency, along with top-down privacy shades for flexible light control. Major mechanical updates completed in 2025 including a new furnace, central air, and hot water heater. Additional improvements include a new kitchen sink, garbage disposal, and updated front door locks. Enjoy a fully integrated smart home experience with Alexa-enabled lighting throughout, allowing for voice control and dimmable settings, as well as an Ecobee smart thermostat installed in 2025 for enhanced comfort and efficiency. The garage door opener has been upgraded to a premium programmable system with remote app access. Major exterior improvement already completed with a
